

Touring Ride CAMINO DE SANTIAGO / Saints James Way

15-19 May 2013

Pamplona - Burgos - Ponferrada - Santiago de Compostela

Following the cultural European way, the H.O.G.® Solita Chapter, in collaboration with the agency Viajes Levante, organises a Touring Ride which takes you on your H-D Motorcycle, during 4 days, from Pamplona to Santiago de Compostela, making two intermediate nights in Burgos y Ponferrada.

The Touring Ride begins Wednesday, May 15th with a welcome reception and dinner in Pamplona and ends Sunday morning 18th after the breakfast.

It is a guided tours with experiences “road-captains” of, approximately 700kms long, spread in 3 stages, which follow the real Saint Johns way on those roads, which we can use with security for our bikes. We also have a luggage and support van, which takes your luggage from one point to the other and can also be used to leave jackets and helmets at the stops.

The pre-registration opens March 1st and the maximum number of bikes we would like to guide is 40 H-D’s. The price includes tours nights of high quality Hotels, four Diners, three lunch’s, snacks and a complete “road book”, T-shirt, pin, patch and more souvenirs.

But the best souvenir you will take home, will be the experience of this “has to be done once in a lifetime tour” and the new friends you found!

But if this date should not suite you and you would like to do this travel with your group of minimum 20 bikes on another date, the Solita Chapter would be happy to organise it.

If you are interested in receiving the program and the pre-registration form with all the prices, please write us to: solita.chapter@gmail.com or Harley@viajeslevante.com
